Closing Balance of Rs 21,887(vide abstract of Revenue and Expenditure, Printed Budget ~~flogged~~) adopted by the Municipality is incorrect in as much as an item of receipt of R 35,000 being the (1) rent of buildings, lands etc under "C Revenue derived from Municipal property etc, has been omitted to be taken into account as also the total expenditure under A General Administration, has been wrongly entered as 1,71,414 as against Rs 1,71,118 which is the correct figure - Hence the difference in noting the closing balance
Rs 21,887 + 35,000 + 296 = 57,183
